## Robert's Reflections

Dear Friends,

I have two things on my mind: first, your Pastor Nominating Committee is focusing in on your next pastor and could make a decision in the next few weeks. And second: Bill Walton's new book, which no doubt would make a good title for a sermon on Easter Sunday, *Back from the Dead*. It's ok to laugh. Google (ESPN, Bill Walton, Mike and Mike) and look for espnradio/radio. It aired on March 23rd. <http://espn.go.com/espnradio/play?id=15049575>

Whenever I end an Interim pastorate, I start thinking about words to leave with a congregation. The arrival of a new pastor is like "game day." You want as a congregation to be at the "top of your game." Here's a word: SELFLESS. It's not all about you as an individual, it's about you as a congregation. This is the way Larry Bird played the game. Walton says this about life. "It is," he says, "the one thing Larry Bird, coach John Wooden (UCLA), and Jerry Garcia (The Grateful Dead) have in common: Unselfishness leads to greatness."

Here are some words coach Wooden used: *fitness, team game, fundamentals, footwork, fast break, relentless attack*. That's basketball talk. I'm a soccer player where the same terms apply. Church? Spiritual fitness, teamwork, fundamentals, those words apply. I suppose that when considering the last three, I think of missions, ministry, peacemaking, and justice. You think of something.

Garcia brought joy. "Let's do it all. Let's try

something new." Walton calls it *a culture of exploration, curiosity, and experimentation*. Let's have the time of our lives. There is rarely enough of that in church. Taking words from a guy like Bill Walton, putting them into a newsletter and applying them to church life may sound like something new.

Walton ended his interview mentioning tolerance, patience, perspective, and relativity. He didn't go into definitions, except to say they were not the words people would have expected him to say. I want to add two that he didn't say but rather embodied. And if you click on that link above and listen to him, you will hear them also: GRATITUDE and VULNERABILITY. I think he said it three times as he spoke about the support of his friends, family, and his dog Cortez: *I am the luckiest man alive.*

Whatever could all this have to do with church? Maybe it's what Jesus meant when he said in *John* chapter 10: *I have come that they may have life abundantly.*

You have a great future as a church, and so do Yulia and I. For the next weeks and months we are together, let's have the time of our lives.

Grace and Peace,  
Robert

life and have it  
abundantly.*

### Tell me again - what is the Denominational Assessment?

As lucky as we are to have our community of faith at the First Presbyterian Church of New Vernon, we often forget that we are part of a larger organization called the Newton Presbytery. We benefit in many ways from our Presbytery through their resources, guidance, and support to its member churches. More recently, a Presbytery representative was instrumental in providing direction and advice to Session in our search for an interim pastor. From this there is a financial obligation, and many of our congregation are not aware that FPCNV is assessed an amount each year to fund the programs and staff at Presbytery.

Member churches ask their worshipers to pay this capital apportionment at the beginning of each year. This amount is \$34.00 per person and is shown on your pledge cards for Stewardship. Although purely voluntary, Session asks that you help us by paying your individual share of the per capita assessment. All of your contributions stand as a testament of your faith in the ongoing missions and ministries of our church, and for this we are thankful.

Todd Claytor  
Stewardship Chair

## APRIL BOOK SELECTION

***The Wright Brothers***  
by David McCullough

Two-time winner of the Pulitzer Prize David McCullough tells the dramatic story-behind-the-story about the courageous brothers who taught the world how to fly: Wilbur and Orville Wright.

On a winter day in 1903, in the Outer Banks of North Carolina, two unknown brothers from Ohio changed history. But it would take the world some time to believe what had happened: the age of flight had begun, with the first heavier-than-air, powered machine carrying a pilot.

Who were these men and how was it that they achieved what they did?

## SUNDAY SPEAKER SERIES in APRIL

### Guest Preacher & Speaker: Sunday, April 3 Rev. Larissa Kwong Abazia

Rev. Larissa Kwong Abazia will preach on Sunday, April 3 and also lead a program at 11:15 am. Larissa is the Vice Moderator of the Presbyterian Church (U.S.A.) and the Director of Church Relations at Princeton Theological Seminary.

The world around us is ever changing and can sometimes seem scary. A question for the Church today is: Do we come to church to escape the world or to respond to its deepest yearnings? Join us for discussion on gracious discernment about difficult issues that we face as a congregation.

### April 10 at 11:15 am in Library Jo-Renee Formicola

On April 10, Seton Hall political scientist, media analyst and Madison resident, Jo-Renee Formicola will discuss her most recent book, *Clerical Sexual Abuse: How the Crisis Changed U.S. Catholic Church-State Relations*. Researching legal reports, church documents, newspaper accounts, and personal stories, Dr. Formicola demonstrates how canon law became challenged by civil law. She will review how this power struggle between the Catholic Church and the United States forever changed their relationship, but also "recalibrated" the Church. All are welcome to this latest Sunday Speaker Series.

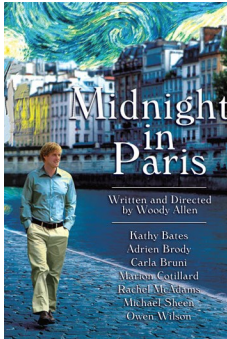

Jo-Renee Formicola, Ph.D, is a Professor of Political Science and former Dean at Seton Hall University in South Orange. She teaches courses on the conflicts, co-operation, and public policies that involve both Church and State. She is the author of four books on the church as well as co-editor and chapter contributor to *Everson Revisited: Religion, Education and Law at the Crossroads*. Dr. Formicola received her B. A. at Le Moyne College in Syracuse, New York. Her advanced degrees were earned at Georgetown (M. A.) and at Drew (Ph. D.).

### April 24: Sheeleigh House Tour, 11:30 am

The words "climate change" generate a lot of reactions and opinions. As the scope of this phenomenon continues to be explored, the congregation is invited to tour the Sheeleighs' home on April 24th. The home, a LEED certified project, presents a beautiful blend of classic design with many new sustainable mechanisms and technologies. The Sheeleighs' choices are inspiring for all: this tour should not be missed.
